IMPORTANT GUIDANCE FOR APPLICANTS

The IACDE Rising Star Award recognises **emerging professionals who demonstrate excellence, initiative, meaningful contribution and future leadership potential** in Conservative Dentistry and Endodontics.

Applicants are encouraged to highlight **significant achievements and contributions rather than routine professional duties**.

For each entry, wherever possible, clearly indicate:

- **What you did**
- **Your specific role or contribution**
- **What was achieved**
- **The impact or outcome**

Quantifiable information may be provided wherever relevant, such as the number of students/faculty trained, programmes initiated, delegates reached, research projects completed, or other demonstrable outcomes.

Please avoid simply reproducing your CV. Select the achievements that best demonstrate your growth, contribution and potential.

2. ACADEMIC & CLINICAL ACHIEVEMENTS

Please list significant academic and clinical achievements within the stipulated eligibility period.

What to include

Examples may include:

- Academic distinctions and honours
- Significant clinical achievements
- Development or introduction of new clinical procedures/protocols
- Complex or noteworthy clinical work
- Awards for academic or clinical excellence
- Development of innovative clinical or academic programmes
- Significant contributions to patient care or clinical practice
- Other achievements demonstrating excellence beyond routine responsibilities

Focus on the significance and impact of the achievement rather than routine clinical work.

3. RESEARCH & PUBLICATIONS

Please provide details of original research, case reports, reviews, funded research, books, chapters and other scholarly contributions.

What to include

Examples may include:

- Original research
- Research projects
- Funded research / grants
- Systematic or narrative reviews
- Case reports / case series
- Publications in indexed journals
- Books / book chapters
- Research presentations
- Research collaborations
- Other significant scholarly contributions

Please clearly indicate your authorship and specific role, particularly where the work involved multiple collaborators.

5. LEADERSHIP ROLES & POTENTIAL

Please list significant leadership positions, initiatives or responsibilities demonstrating leadership potential.

What to include

Examples may include:

- Leadership positions within an institution
- Head/coordinator/programme director responsibilities
- Leadership of academic or clinical programmes

- Organising or leading conferences, workshops or professional programmes
- Leading teams or multidisciplinary projects
- Initiating new academic, clinical or professional programmes
- Professional society responsibilities
- Committee leadership
- Mentorship or team-building initiatives
- Initiatives that resulted in meaningful institutional or professional change

What demonstrates leadership?

Strong entries should demonstrate one or more of the following:

**Initiative → Responsibility → Decision-making → Team leadership →
Innovation → Problem-solving → Measurable impact**

Important: Holding a designation alone does not demonstrate leadership. Please describe **what you personally initiated, led or changed and the outcome achieved.**

Leadership Statement

In a brief statement, describe the leadership qualities demonstrated through your professional, academic, clinical or organisational activities. Highlight examples of initiative, decision-making, team leadership, innovation, problem-solving and measurable impact. Explain how these experiences demonstrate your potential as a future leader in Conservative Dentistry and Endodontics.

6. CONTRIBUTION TO IACDE

Please describe your active contribution to IACDE during the eligibility period.

What to include

Applicants may include contributions such as:

Academic Contribution

- IACDE lectures
- Webinars
- Panel discussions
- Moderating scientific sessions
- Workshops / hands-on programmes
- PG academic programmes
- Development of educational content

Organisational Contribution

- Organising IACDE conferences/conventions
- Scientific or organising committee responsibilities
- Coordination of IACDE programmes
- Chapter activities
- Support for IACDE initiatives

Professional Contribution

- Committee responsibilities
- Membership initiatives
- PG/student engagement

- Initiatives promoting Conservative Dentistry and Endodontics

Special Initiatives

- Initiatives conceived or implemented for IACDE
- Mentorship programmes
- Educational resources
- Outreach or communication initiatives

- National/international collaborations initiated through IACDE

Recognition

- IACDE awards
- Appreciation or recognition for IACDE-related contributions
- Other achievements directly arising from IACDE activities

Important distinction

Applicants should distinguish between:

- **Participation:** attending an IACDE programme
- **Active involvement:** presenting, moderating, organising or contributing to a programme
- **Contribution/Leadership:** initiating, developing, coordinating or leading an IACDE activity

Mere membership or attendance should not be the primary focus of this section. Emphasise how you have contributed to the growth, academic activities or professional objectives of IACDE.
