FINISH LINE'15

CDE Points : 17

Feb 2nd - 4th 2015

FINISH LINE '15

HIGHLIGHTS

It is again that time of the year to look forward to FINISH LINE'15. As is the tradition, the Finish Line aims to guide the postgraduates to face the theory and practical examination by providing them with maximum information in a systematic and consolidated manner. Day 1 and Day 2 of the program will have prominent speakers sharing their invaluable knowledge on approaching the theory examination in a methodical and efficient manner. Day 3 encompasses thorough information on approaching the practical exam exercises.

In addition, this year a college wise subject quiz competition encompassing topics in Conservative Dentistry and Endodontics with a dose of dental and general trivia will be conducted. A written component will be conducted on the second day wherein one representative from each college will participate in the qualifying round. The top four participants from the qualifying round along with two more members from their college will compete in the final round on the third day between 8:30-9:30am .

At the end of this rapid review program every postgraduate will be equipped with immense knowledge and confidence to face the final exams and bring themselves to the finish line with flying colours.
