"PROXI-CON 2022"

...carving beautiful restorations

**IACDE SPARK INITIATIVE PROGRAM
IN ASSOCIATION WITH
HITKARINI DENTAL COLLEGE**

**A TWO DAY LECTURE AND
HANDS ON WORKSHOP**

12 CDE POINTS

23rd-24th APRIL 2022

Obtaining acceptable proximal contacts with posterior restorations can be difficult and challenging. Proximal contacts that are less than ideal may permit food impaction and subsequent caries formation and periodontal problems. This workshop focuses on this everyday challenge faced by clinicians and aims to bring the state of art science and technology to treat posterior teeth.

ABOUT SOCIETY AND COLLEGE

HITKARINI SABHA

Hitkarini Sabha, established in 1868 is a non profit, philanthropic organization extending literary and technical knowledge in the Mahakoshal region i.e. eastern Madhya Pradesh and promoting moral, social and intellectual interest and well being of the people. The Sabha is managing 8 colleges, 18 schools and one Computer Center enrolling more than 13,000 students and employing around 1000 teachers and staff. It is imparting value-based education in the field of law, humanities, education science, computer, nursing, engineering, architecture and dentistry.

HITKARINI DENTAL COLLEGE & HOSPITAL, JABALPUR

Hitkarini Dental College & Hospital is the 8th college established by Hitkarini Sabha, which is one of the oldest educational institutions in the region. Since then, it has grown from providing elementary school education to professional and technical education through quality institutes in the field of arts, science, commerce, education, law, nursing, engineering, architecture and dentistry. Hitkarini Dental College & Hospital is the first college of dentistry in eastern Madhya Pradesh. The college is situated in a picturesque location on the airport road in Jabalpur. There is a regular flow of 160+ patients per day for treatment and the number is increasing. This helps in the ensuring that the students will be exposed to good practical knowledge and clinical material as well.
