HIGHLIGHTS

Team Finish line @SRIHER once again brings to you for the 14th consecutive year, the national level rapid review program between April 27th -29th ,2023. It is a three day back to back rapid ready reckoner of exam-oriented theory and practical topics in the speciality, in addition to a grand viva-voce for the third year postgraduates before they take up their final university examinations.

With the days of Covid beyond us, "Finish Line 2023" will once again go offline. The first 2 days will focus on important topics in Conservative Dentistry, Endodontics and Esthetics from the theory exam point of view. Day three will deliver a step by step run through of the practical exam exercises.

A key component of the practical examination is the 'Viva voce'. To confidently take on this, 'Grand Viva Voce' an exciting Blended Learning Session – "KAHOOT" is planned for all the post graduates on Day 3.
