About us

Gsl educational society under the dynamic vision of Dr.Ganni Bhaskar Rao,chairman established a medical institute in year 2002.It is acknowledged as a centre of excellence for education.The society also established colleges in fields of Dentistry,Nursing and Physiotherapy.Gsl Dental college is established in year 2013.It is recognised by DCI/Govt of India and affiliated to NTRUHS, Vijayawada.

The college is established with a divine mission of bringing dental care of international standards to the door steps of rural poor and to roll out dental graduates of modern scientific medicine capable of functioning independently in both rural and urban environment.The college also conducts certified CDE programmes such as LIFE(Lasers,Implants&Facial esthetics) and BASICS(Basics in Anaesthesia,Surgery &Intensive care in clinical scenario) to train students in all the basic and advanced skills.This socially active institute also renders dental care through its mobile dental clinic and numeroussatellite centers in remotest of rural areas.The institute boasts of accomplished around 70 faculty members and 30 non teaching members.There are around 500 students in this magnificent institute situated in around 85 acre area .

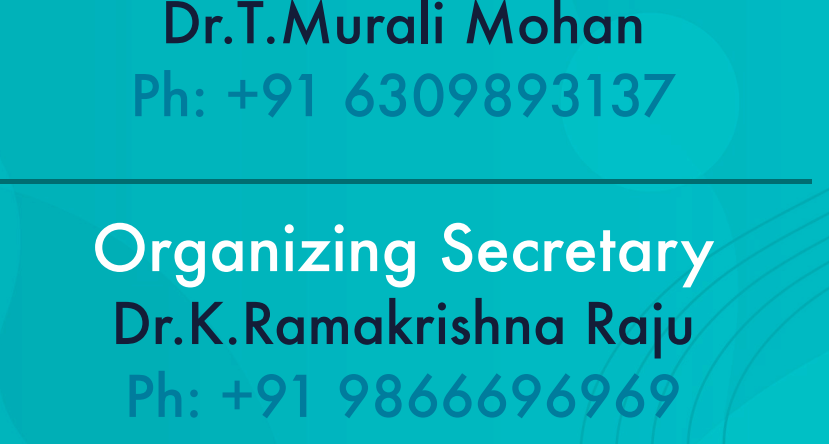

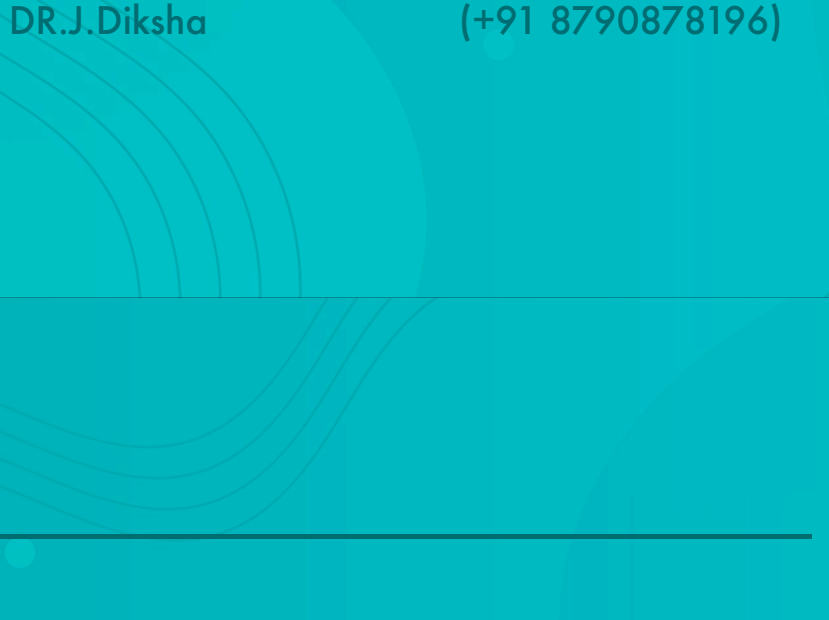

The institute offers state of art library with well furnished area,wifi networking in all departments.The departments are provided with advanced equipments that are required to fulfill the clinical learning skills of its students .

Another historic establishment under Gsl educational society is Gsl smart lab - simulation module for advanced research and technology.It is a world class simulation centre equipped with high fidelity manikins, virtual reality mentor trainers and skill trainers,serving as an incorporated center point in the training of health care professional's experts with a definitive goal of enhancing quality and safety of care.GSL SMART Lab is proud to be part of the American Heart Association's global mission to save lives.It is also a part of an elite group of international training centers authorized to conduct resuscitation courses such as BLS, ACLS, PALS and HeartSaver first aid training, certified by the AHA
