BEST PAPER

Sr. No.	TITLE	Student Name	College Name
1	Molar with seven canal root system	Dr. Sweta Purohit	Rajasthan Dental College & Hospital, Jaipur
2	Regenerative Endodontic treatment	Dr. Ankita Mahali	TERNA Dental College, Navi Mumbai
3	Comparative clinical evaluation of anxiety level of patients undergoing root canal treatment with 432Hz and 440Hz frequency of music therapy.-A randomized clinical study: A pilot study	Dr. Namrata Bajpai	K.M. Shah Dental College & Hospital
4	Endodontic treatment of an unusual germinated mandibular second premolar resulting in premolar molarization: A case report	Dr. SatakshiBatre	VYWS dental college, Amrawati
5	A comparative evaluation of efficacy of five	Dr. Mohit Singh	Govt. Dental College, Jaipur

	different procedures in elimination of biological debris on rotary endodontic instruments before sterilization- an in vitro Steriomicroscopic study.		
6	Comparative evaluation of effect of bone grafts on the surface microhardness of three endodontic root end filling materials- An in vitro study	Dr. Sanket H Meher	YMT Dental College, Navi Mumbai
7	Endodontic Management of Blunderbuss canal with open apex and Ellis Class IV Fracture using MTA and Compo-Post- A case report	Dr. Tanmay Das	Jaipur Dental College, Jaipur
8	In vitro comparative evaluation of Sealer penetration on sodium Hypochlorite treated root Dentin using 3 different anti-oxidants	Dr. Urmila B Chauhan	Krishna Institute Of Medical Sciences, Karad.
9	Comparative evaluation of Anti Microbial activity of pineapple extract (Bromelain), 2% Chlorhexidine, 5.25% Sodium Hypochlorite	Dr. Surabhi Santosh Parakh	SDDCH, Parbhani

	alone and in combination with Bromelain as root canal irrigants against Enterococcus Faecalis ATCC(29212): An in vitro study.		
10	Effectiveness of various NSAIDS on pre-operative and Post-operative Dental Pain	Dr. Shweta Santosh Lodha	MUHS, Pune.
11	Nurturing the Natural	Dr. Charu	
12	Reconstruction of pink and white aesthetics: A case series.	Dr. Devika Kalaskar	Govt. Dental College, Ahmedabad
13	Knowledge, Attitude and Skills of dental students and practitioners of Ahmedabad on minimally invasive dentistry concepts: A Questionnaire survey	Dr. Sagar Gajiwalla	Govt. Dental college, Ahmedabad
14	Endodontic management of open apex	Dr. Nikita Shah	Terna Dental college, Navi Mumbai.
15	MMP Inhibitor's Stewardship on longevity at resin dentin interface	Dr. Ankita Anil Mundada	MUHS, Nasik
16	Comparative evaluation of percentage of gutta percha root canal filled areas using cold lateral condensation , continuous wave	Dr. Poonam Jhakar	GDC, Jaipur

	Obturation And Carrier based root canal Obturation Technique- An In Vitro Study

BEST POSTER

SR. NO.	TITLE	STUDENT NAME	COLLEGE NAME
1	Comparative evaluation of modulus of elasticity and surface micro hardness of bulk fill resin composites with the conventional incremental composites: An in vitro study.	Dr. Amber Ansari	YMT Dental college & Hospital, Navi Mumbai
2	Stepwise technique – A novel, Minimally invasive and a Breakthrough procedure for deep caries.	Dr. Siddhartha Menon	Gujarat University
3	The effect of conventional irrigation and photo activated disinfection on the antibacterial efficacy of sodium hypochlorite and chloroquick against enterococcus faecalis biofilm : An in vitro study	Dr. Yugandharalkhar	SwargiyaDadasahebSmrutiKalmegh Dental College, Nagpur

4	Plasma – Dentist’s new Superhero	Dr. Sunidhi Khuteta	GDC Jaipur
5	Endodontics and forensic personal identification	Dr. Nidhi Ruparelia	
6	The Canary System- A Novel Method for caries detection	Dr. JivikaMatkar	CSMSS Dental college, Aurangabad
7	Management of Endodontic Biofilm	Dr. Abhishek Patel Dr. Supriya Pathak	Jaipur Dental College, Jaipur
8	Post endodontic resoration option for permanent anteriors	Dr. Navin Agarwal	Terna Dental College, Navi Mumbai
9	Evaluation of the fracture strength prepared using different access cavity design in endodontically treated teeth	Dr. Sharda	RUHS
10	Comparison of 2 file system in determination of the first file to bind at the working length being the apical diameter: An invitro Study	Dr. AunTaherali Taheri	Sharad Pawar Dental College

11	Atypical Micro organisms in Endodontics	Dr. Akshay Punjabi	Bharati Vidhyapeeth Dental College & Hospital, navi Mumbai
