## HIGHLIGHTS

“Success is not a place at which one arrives but the spirit with which one undertakes and continues the journey”.. Having completed a decade of the truly fulfilling “FINISHLINE National Level Rapid Review Program” the department of Conservative Dentistry & Endodontics, Sri Ramachandra Dental College, SRIHER (Deemed to be University), brings to you with great humility “FINISHLINE 2020” the National Level Rapid Review Program.

As is customary, it is a three full day comprehensive program with an array of examination oriented topics in Conservative Dentistry, Esthetics, Dental materials and Endodontics. The third day is exclusively dedicated to the step by step run through to ace the practical exam exercises. This time again the blended learning session through the Kahoot platform is designed to enable students to make a lasting impression on the examiners at the Grand Viva Voce.

Let's all gear up for this academic extravaganza.  
#Ten years of learning and still counting...
